

Here is what your camper needs to pack:

What to Pack:

\***The Bible**—We will have a total of four sessions for worship and the Word. We call it Mishkhan!

\***Warm clothes**—We will spend most of our time indoors, but we will be outside to move between buildings on the retreat center campus, and for a campfire on Sunday night.

\***Athletic clothes**—sweatpants, sneakers, flexible clothing. There will be lots of fun activities in the gym, including rockwall climbing! They can even bring their Camp Keshet t-shirts from previous years if they have one.

\***Bathing Suit**—there is a heated, indoor pool and we have scheduled some swim time! The retreat center also provides pool towels.

\***All Toiletries**—toothbrush, deodorant, soap, shampoo, mouthwash,

\***All Medications**—These will be turned over to Michael Herts when you drop your camper off. He will administer them according to physician's orders. Please be prepared to speak directly with him about this.

\***A Water Bottle**—We want everyone to stay hydrated!

What NOT to Pack:

\*The retreat center provides all towels, pillows, sheets, blankets, and bedding—so no need to pack any of those things!

\*They won't need any electronics or devices for the entire weekend! (Amazing, right?)

If you have any questions, please email us at [campkeshet@chosenpeople.com](mailto:campkeshet@chosenpeople.com)
